

## Westmoreland School Book Drive

Our teachers are working hard to fill the bookshelves of the new teacher's room at Westmoreland School. This community library will be beneficial for all the students within our Westmoreland School Family.

We are asking you to go through your home library and consider donating your books that are in good condition that your child has outgrown for our Westmoreland Book Drive. We are hoping to have the donations in our hands by Friday March 31, though we will not turn away books donated after that point.
